

General Information:

- All visits must be scheduled through Reception (ext. 5910)
- Visits will be scheduled 7 days a week, 10am-5pm.
- Visits will be 45 minutes long; scheduled on the hour, with 15 min between to allow our staff to disinfect.
- All visits will be distantly supervised and take place in a designated common space unless otherwise arranged in advance as a compassionate visit
- No visitors under the age of 18 without an adult.
- Limit of 2 visitors per resident.

WOODLAND POND HEALTH CENTER VISITATION FACT SHEET

**Per regulatory mandate, failure to comply with any of the following requirements will result in suspension of any visitation rights throughout the pandemic.*

*Woodland Pond
at New Paltz*

WPNP VFS 21-1

Before your visit:

- While testing for COVID is no longer required, we strongly encourage all visitors to arrive 20 minutes prior to their appointment to have a free rapid COVID test on site.
- Upon arrival, you will be screened at the Reception Desk, asked if you would like to be tested, and then directed to the testing clinic, where you will be given a rapid test and/or be given personal protective equipment to don for the duration of your visit in the Health Center and designated visiting areas.

During your visit:

- Sanitize your hands immediately at the onset of your visit and right before your departure.
(Alcohol hand gel will be provided).
- Wear your masks at ALL times.
(Masks will be provided if needed).
- You may touch during your visit if the resident you are visiting has been fully vaccinated. Masks must be kept on at all times. All other visits must maintain 6 foot distancing. Chairs may not be moved, they are six feet apart for your safety.

After your visit:

- If you develop any symptoms of illness during the next 14 days after your visit, you must notify Woodland Pond infection control team, by calling the reception desk at ext. 5910 and asking to speak with nursing administration.
